

COMMERCIAL CREDIT ANALYST

The Commercial Credit Analyst is responsible for the underwriting of commercial loan packages. He or she reviews each loan application, examines the credit history of the borrower, the purpose for the loan, the applicant's ability to pay back the loan and any financial risks involved. He or she will use the Bank's underwriting guidelines to analyze the credit request and to provide Senior Management with a recommendation to approve or deny the loan request.

International Bank of Chicago is an Equal Opportunity Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, national origin, sexual orientation, gender identity, disability, protected veteran status or any other characteristic protected by state, federal, or local law.
